2018 - 2020

Risk Disclaimer: Please be advised that trading in any market carries risk, and trading foreign exchange ("FX"), futures, options, contract for differences (CFDs) and precious metals involve a substantial risk of loss. Leverage or "gearing" creates enhanced risk and loss exposure. Even though risk can be managed, it cannot be eliminated and losses can quickly compound and exceed your initial deposit. You are liable for all losses and debits in your account.
